Items we recommend you bring

- Camera
- Rain wear
- Rods and reels (we know anglers are comfortable with their on gear)

Things you can expect

- How to target cover
- Learn what baits are the best choice
- Learn what the bass do during certain conditions
- Learn how tournaments are won on the Lake
- How to navigate the lake
- Witness beautiful and peaceful scenery
- We practice catch and release

.....and have fun!

Tim Chandler is one of the top gun bass guides on Guntersville Lake. He has a great reputation for putting his people on fish, and plenty of 'em! We have produced 2 shows with Tim and the viewers loved him almost as much as I did, he made my job a lot easier!

*specializes in fishing the grass.
We provide half-day and full-day trips.*

*All anglers are welcomed from novice to pro.
Corporate trips or large groups?
No problem we can handle it!*

My daughter Vee had the time of her life and some memories that are priceless. She couldn't stop telling her friends. The attention you paid to my daughter and care you demonstrated when coaching her or even engaging her in conversation was most appreciated by her Dad.

John Steger, Huntsville, AL

"I really enjoyed my trip. I know now what all the hype is about. Flipping is the best! I had 20lbs in our tournament for the win. I whacked them good all on a Jig!"

*Brian Wileman
Huntsville, AL*

Wow what a day!!!! We caught around 25 fish and the biggest over 6 lbs. with 10 fish over 4lbs. Thanks Tim for a wonderful trip.

*Chad and Mike
Birmingham, AL*

20 years experience and tournament wins allows us to demonstrate big bass techniques and proven tournament tactics.
